

Welcome

Southwest Regional Medical Center is pleased to welcome **Alexander (Sandor) Mecs, MD, FACOG**. Dr. Mecs is board certified in **Obstetrics and Gynecology** and is a minimally invasive surgery specialist with surgical privileges at Southwest Regional Medical Center. He will be offering annual gynecological examinations, laparoscopic and vaginal hysterectomies, urinary incontinence tape procedures, LEEP for abnormal pap smears, tubal ligation, IUD insertion and primary infertility procedures. He will also see obstetrical patients here in Waynesburg and has delivery privileges at St. Clair, Magee and Mercy Hospitals. Dr. Mecs is now accepting patients at his office located at 236 Elm Drive, Suite 104 in Waynesburg.

To make an appointment call 724-627-3597.
