

# Welcome Ellen Deibert, MD

Neurologist | Clinical Impact Consultant Joins The Medical Team at Sharon Hospital

Sharon Hospital is pleased to welcome Dr. Ellen Deibert to its medical staff. Berkshire Brain Injury & Neurological Services, PC announces their new Concussion Clinic in collaboration with Sharon Hospital. The Concussion Clinic will serve the local area and focus on treating patients who have suffered a concussion and are still having symptoms. The clinic will also offer post injury ImPACT testing. The clinic will begin with one half day per month, expanding as needed. Dr. Deibert is now accepting patients.

For more information, or to schedule an appointment, please call **413.464.0290** and ask for Michael Quinn.

Dr. Deibert's Sharon office is located in the Medical Arts Building, 29 Hospital Hill Road, Suite 1800, Sharon, CT.
