

Neurology

Accepting New Patients

The SRMC Healthcare Group is pleased to welcome **Babak Movassaghi, MD, Neurologist. Dr. Movassaghi** is now providing full time neurological services for our community. He recently completed his neurology residency and fellowship at WVU Hospitals and is available to diagnose and treat patients with Alzheimer's Disease, Parkinson's Disease, dementia, seizures, traumatic brain injury, headaches, stroke, and neuromuscular disease. He is now seeing patients at the Medical Arts Building, 1150 Seventh Street in Waynesburg. Call now for an appointment.
