Radiology Department at Sharon Hospital Awarded Three Year Accreditation

Sharon, CT – The Radiology Department at Sharon Hospital has been awarded a three-year term of accreditation in CT – Computed Tomography as a result of a recent survey by the American College of radiology.

The ACR, headquartered in Reston, Virginia, awards accreditation to facilities for the achievement of high practice standards after a peer-review evaluation of the practice. Evaluations are conducted by board-certified physicians and medical physicists who are experts in the field. They assess the qualifications of the personnel and the adequacy of facility equipment. The surveyors report their findings to the ACR's Committee on Accreditation, which subsequently provides the practice with a comprehensive report.

“Sharon Hospital’s Radiology Department has made a commitment to the community and its healthcare providers to offer CT services of the highest quality; subjecting ourselves to the ACR’s thorough and ongoing evaluations, we continue to maintain and improve our standards of care and quality” according to Carolyn Smith, Director of Radiology at Sharon Hospital.

For information about the comprehensive services offered at the Radiology Department at Sharon Hospital, call 860.364.4468.

Founded in 1909, Sharon Hospital (sharonhospital.com) is a 78-bed acute care hospital located in the picturesque northwest corner of Connecticut. The hospital continues to aspire to excellence and strengthen its ability to provide quality comprehensive services. Sharon Hospital is in the process of completing construction of its new birthing center which features private suites overlooking the beautiful surrounding hills. Sharon Hospital's new emergency department & MRI suite are now open. They feature the latest technology in a contemporary new facility with private rooms.

Together, the expansion project enhances quality of care at Sharon Hospital; providing a more convenient, modern setting for patients and staff. Sharon Hospital offers residents of 17 towns in three states (CT, MA, NY) high quality healthcare combined with the warmth and personal care of a hospital that has a 98-year history of community service. Sharon Hospital is an Essent Healthcare facility and is licensed and accredited by many governmental and healthcare organizations, both regionally and nationally. For more information about the services offered at Sharon Hospital, please call 860.364.4141.
